...and that's it!

## Donations through The Australian Sports Foundation

Our Get Kids In Boats project has been registered by the Australian Sports Foundation (ASF). This allows the Club to promote the tax deductibility of donations to ASF on behalf of our project. Note, donations are made unconditionally to ASF but donors can nominate our project as their beneficiary.

Here's how it works:

1. The decision to donate is made
2. You complete a ASF Donation Form (attached) and return it with your donation to the Club
3. The Club deposits your donation into the ASF account
4. The ASF sends the donation receipt to us and we forward it to the donor
5. The ASF allocates grants 6 times a years dependent on the frequency and amount of donors nominating our Get Kids In Boats project as their preferred recipient.

Please note that:

- a) Donations can be as little as \$2
- b) More than one donation can be made throughout the current agreement term of 3 years
- c) Non members can donate so if you know anyone who may wish to make a donation to our Get Kids In Boats project please pass on the information to them
