## BSYC MISSION STATEMENT

To increase participation in sailing by providing opportunity, coaching and support across boat classes and skill levels.

Foster respect for the environment and the spirit of sailing fellowship within the community;

To grow the participation of women in sailing and promote inclusion and diversity amongst all members and visitors.

Provide facilities and services to members and the public that facilitate life-long participation in the sport of sailing and social activities.

## CLUB BY LAWS

- (1) Only members and visitors over the age of 18 years will be served with liquor. **Furthermore, no person under 18 years of age is allowed to serve behind a bar.**
- (2) No member or visitor is allowed on the upper deck unless dressed suitably. Minimum requirements are: dry shirt, shorts and footwear. Tank tops are not permitted.
- (3) Parking of motor vehicles is not permitted on club grounds.
- (4) Parents are responsible for the care of their children on the club premises, particularly on the upper deck.

- (5) Dogs are not permitted in the Clubhouse and must be on a leash whilst in the club grounds.
- (6) No member shall sail from the club premises at any time without an adequate personal floatation device (PFD) in accordance with **Australian Sailing Racing Rules of Sailing** Part1 Fundamental Rules Regulation 1.2. The Club recommends members use a PFD Type 2 floatation device at all times while sailing. For children under the age of 12, the PFD Type 1 is recommended to ensure correct floatation. Members are warned to take special care when sailing in an offshore breeze on non-race days when rescue craft are not available.
- (7) On Club sailing days, motor vehicles shall not be driven through the club grounds between 10 am and 7 pm.
- (8) Liquor purchased from the Club must be consumed on the club premises.
- (9) Boats should not be left on any of the club grounds except at weekends unless written permission is given.
- (10) *Rear Lawn (in the interests of a healthy lawn)*
  - a) *Sailing Craft with trailers, trolleys or jinkers are not permitted to use the rear lawn for any and all rigging and wash down other than as part of racing and regatta events.*
  - b) *Power boats, tractors, and other vehicles are not permitted on the rear lawn at any time.*
- (11) *Front Lawn - Boats or sails should not be washed or dried on the lawns between the Clubhouse and the front stone wall, on race and regatta days, or whilst the lower deck bar or coffee cart are open. The lawn is to be kept clear for seating.*

## CLUB ETIQUETTE

- (1) Trailer yachts are asked to rig, launch, retrieve or moor north of the public ramp on Club race days; dinghies to the south of the public ramp.
- (2) The Club barbecue should be cleaned after use.
- (3) Boats or trailers should not be left blocking access to boat sheds, roadways or ramps.
- (4) Whenever possible boats should be rigged on the beach. When boats are rigged in the Club grounds the road trailer and jinkers should not be separated. If they are, the road trailer should be parked on the beach as trailers are not permitted in the public car park.
- (5) On race days boats or sails should not be washed or dried on the lawns between the Clubhouse and the front stone wall.

*NA, Series not achieved*

## BRIGHTON AND SEACLIFF YACHT CLUB SAILING PROGRAM

The annual Club sailing program comprises:

1. Club Championship Series to determine the champion helmsman in each Class in the Club
2. Club Consistency Series to determine the most consistent helmsman on handicap over the season
3. Trophy races where the placings are determined by the handicap of each yacht
4. Special Races
  - (a) Opening Day Race
  - (b) T M Hardy Memorial Race – A race sailed by yachts of all classes except Optimists, Holdfast Trainers and Windsurfers, around a common course, with placings determined by **AS** Class yardsticks.
  - (c) City of Holdfast Bay – A race sailed in 4 divisions, on the Saturday closest to November 24<sup>th</sup>, with placings determined by **AS** Class yardsticks.

Division 1, yardstick between 90 and 104 – 505, AS, 29er, PMSC, Fireball

Division 2, yardstick between 105 and 124 – NS14, 420, Laser, Contender, Tasar, Laser, Byte CII, Impulse

Division 3, yardstick between 125 and 159 – Sabre, Pacer, 303, Mirror, Heron

Division 4, **Trailable** Yachts with yardstick (CBH 2013) between 0.500 and 0.900

- (d) Mayor of Holdfast Bay – A handicap race for Holdfast Trainers and Optimists sailed on the same day as the City of Holdfast Bay.
  - (e) TYF Shoreline Series – An open series of 5 handicap races sailed by the Trailer Yacht Fleet and keel boats. (1 race discarded).
  - (f) Combined Class Fleet – A series where a Class with less than 4 Club registered boats combine with similar Classes of less than 4 registered boats, to race together with yardstick and handicap applied to determine placings.
  - (g) Crews Race – A race where the crew member helms the yacht. Single handed classes may elect to hold a novelty race.
5. Yardsticks – The yardsticks for each class competing will be in accordance with the most recently published **AS** yardstick

SALES & PROPERTY MANAGEMENT

## SAILING INSTRUCTIONS

All races will be governed by the **2021-2024 Blue Book** Racing Rules of Sailing (RRS) and amendments, the Prescriptions and Special Regulations of ***Australian Sailing*** ,(AS), the rules of the relevant Class and/or Association except as any of these are changed by these Sailing Instructions.

All those taking part in Brighton & Seacliff Yacht Club races, do so at their own risk and responsibility. Brighton & Seacliff Yacht Club is not responsible for the seaworthiness of a yacht whose entry is accepted or the sufficiency or adequacy of its equipment.

*Each participating boat shall be insured with valid third party liability insurance with a minimum cover of \$10,000,000 per incident.*

*Brighton & Seacliff Yacht Club expects all participants to be fit and healthy.*

Brighton & Seacliff Yacht Club reserves the right to refuse an entry.

Attention is drawn to the RRS Fundamental Rule - “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.”

### **1. PRINCIPAL RACE OFFICER (PRO)**

The Vice-Commodore or his/her nominated substitute shall be the Principal Race Officer for all racing conducted by the Club & shall with the Race Committee have full control of all events.

### **2. CHANGES IN THE SAILING INSTRUCTIONS**

Any changes to the sailing instructions shall be posted on the Race Notice Board located in the Club lower deck, not less than one hour before the first race that they will affect,

except that any change to the schedule of club championship heats will be posted on the Race Notice Board and / or Club website not less than 5 days before the reprogrammed date.

### 3. ELIGIBILITY

The helmsman and crew of all yachts competing in Club events shall be financial members of the Club in a Membership Category that has sailing rights **and have a unique Australian Sailing registration number. Members without rights can apply to the PRO for permission to sail a short number of races, Visitors can apply for Temporary membership which has sailing rights.** The helmsman/yacht combination for the Club Championship and Consistency Trophy shall be that shown on the 'Boat Registration Race Entry' form. A Class may vary this combination only after application in writing to the sailing Committee and approval by that Committee.

Both boat number and sail number should be the same and remain with the boat for its life. The boat and sail number is listed on the Measurement Certificate with the basic measurements and minimum weight, signed by the builder and must accompany the boat from the builder. If not, request permission from the PRO and if permitted, advise the Sign On desk. Boats with no sail number will be ruled ineligible. Boat names should not be changed mid-season.

**. Visiting boats and Affiliate members (helmsman) are not eligible for points in Club Championship, Consistency Trophy races, or special club trophies unless open entry is specified.**

### 4. NOMINATIONS

All competitors intending to start shall nominate on the Nomination Form and pay the required fee, if any, prior to the event. Failure to nominate shall mean that the yacht will rank as a non-starter.

## 5. CONDITIONS OF RACE

### 5.1 Club Championship Series.

This is a series of 8 races held throughout the season. To be eligible for a Club Championship Trophy, a Class shall have at least five starters in four races of the series. 5 races are to be completed to constitute a series. An abandoned Club Championship race will normally be re-sailed in conjunction with the next scheduled trophy race but an alternative date may be chosen at the discretion of the PRO for the fleet as a whole or for individual classes. For the Trailer Yacht Fleet the scoring yardsticks shall be the Class Basic Handicap as nominated in the Australian Trailable Yacht and Sports Boat Rule or as modified by the Club. When classes have State Championships away from the BSYC the Club race for that class will become a Non Consistency Race.

### 5.2 Consistency Series. (Handicap)

The majority of races in a season are designated Consistency Races. To be eligible for a Consistency Trophy, each Class shall have at least 4 starters in any 7 races of the series and once a Class is eligible all races throughout the season shall count. When classes have State Championships away from the BSYC the Club race for that class will become a Non Consistency Race.

### 5.3 Trophy Races. (Handicap)

Handicap trophies are awarded to the helmsmen *and crew* winning a race on handicap in each class having four or more starters. A Class which frequently has only 3 starters may elect to conduct its handicap racing as a series of 3 or more race events at the discretion of the PRO.

The relevant Class representative is responsible for managing this process in consultation with the PRO.

## 5.4 Multiple Races.

Individual Classes may, after consultation and agreement between their class representative and the PRO, substitute a series of short races for a single handicap/consistency race.

Results will be recorded for each race of the series, but consistency points, trophies and handicap adjustment will apply only to the first race of the series.

## 6. SCORING

The scoring system for all Series in Club racing shall be the Low Point scoring system of the RRS Appendix A to determine final placings in the Series.

For the Club Championship Series, the Consistency series and for any other Series held over several weekends, points shall be scored as specified in RRS. **Appendix A5.3**. In the event of a tie for 1st place, RRS Appendix A8 shall apply. Regardless of the number of starters, all races for a Series shall be used in determining the placings.

For a Series of up to 5 races, all races shall count towards a final score. For a series of 6 races the points from the worst race are excluded in forming the final score, for 7 to 9 races the worst 2 races are excluded, for 10 to 12 races the worst 3 races are excluded and for 13 or more the 4 worst races are excluded.

At the start of the sailing season all boats will sail their first consistency race off their *handicap allocated for the final race of the previous season*. New boats will start from scratch and gain a handicap after completing 3 races. A class may vary this initial handicap only after application in writing to the sailing committee and approval by that committee.

A boat that comes to the starting area but did not start (DNS), did not finish (DNF), retired (**RET**) or was disqualified (DSQ) shall be scored points for the finishing place one more than the number of boats that came to the starting area. A boat that did not come to

the starting area shall be scored points for the finishing place one more than the number of boats entered in the series (DNC).

## **7. PERSONAL FLOTATION DEVICES**

Each helmsman and crew member shall wear an adequate personal flotation device (PFD) in accordance with RRS 40 and *Australian Sailing*, Special Regulations Part 2 Regulation 5. Race signal “Y” will not be displayed. The Club requires that each crew member wear an approved PFD/Type 2.

## **8. COURSES AND STARTING TIMES**

Courses and scheduled starting times will be displayed on the notice boards in the lower deck, at least 30 minutes before the warning signal for the first start.

## **9. MARKS, STARTING & FINISHING LINES**

Course marks shall be shown on the course diagram. The starting line shall be a line between staffs displaying orange flags or shapes on buoys or committee boats. All starting and recall signals shall be made from the committee boat at the starboard end of the line.

A buoy may be moored near the Committee Boat, carrying a white flag. It may not be exactly on the starting line, but yachts shall leave this buoy on the same hand as the Committee Boat when starting. For the purpose of the application of the Racing Rules, the buoy is deemed to form part of the Committee Boat which it protects and any yacht touching the buoy, or passing between it and the Committee Boat shall be deemed to have touched the Committee Boat and shall exonerate herself in accordance with **RRS 31**.

Yachts whose preparatory signal has not been made shall keep clear of the starting area and of all yachts whose preparatory signal has been made.

The finishing line shall be a line between a staff **displaying a blue flag** on the observation point (either the Clubhouse or an official boat) and a mark **displaying an orange flag**. If finishing from the Clubhouse an inner mark may be set to limit the length of the line and this inner mark will be placed as close as practicable to the actual line and on the non-course side of the finishing line. If an official boat is used for recording finishes it shall be on the starboard end of the line.

When lifesavers' buoys are in place, all yachts shall not sail between them and the shore.

## **10. STARTING PROCEDURE**

Unless otherwise noted on the race noticeboard.

### **(a) COURSE SIGNAL**

Where applicable, approximately 10 minutes before the start of a race or the first race of a sequence of races, a red or green flag shall be displayed. A red flag will signify a port hand course, requiring all marks to be left to port. A green flag will signify a starboard hand course, requiring all marks to be left to starboard. Where applicable, approximately 6 minutes before the start of a race or the first race of a sequence of races, the course flag will be displayed. If no course flag is displayed then marks shall be rounded as shown on the course diagram.

### **(b) WARNING SIGNAL**

Five minutes before the first start, the class flag shall be displayed and a sound signal may be made.

### **(c) PREPARATORY SIGNAL**

Four minutes before the first start the code flag 'P', I, U or black flag shall be displayed, and a sound signal may be made.

### **(d) MINUTE SIGNAL**

One minute before the first start the preparatory flag shall be lowered and a long sound signal may be made.

### **(e) STARTING SIGNAL**

At the starting time the class flag shall be lowered and a sound signal may be made. Unless specified otherwise on the race notice board, the starting signal for the first class shall be the warning signal for the next class and the distinguishing flag for that class shall be displayed. All classes shall then follow at the scheduled intervals.

**(f) VISUAL STARTING SIGNAL TO GOVERN**

Times shall be taken from the visual starting signals, and the failure or mistiming of a gun or other sound signal calling attention to starting signals shall be disregarded.

## **11. INDIVIDUAL RECALL**

### **RRS 29.1**

## **12. GENERAL RECALL**

The last sentence of RRS 29.2 is amended as follows:

The recalled class shall then accept the starting signal for the last scheduled start as its warning signal. If more than one class has a general recall they shall restart in the original sequence. The general recall flag shall remain displayed until approximately 1 minute before the next starting signal. No sound signal will be made when the general recall flag is lowered.

## **13. POSTPONEMENT, ABANDONMENT, SHORTEN COURSE SIGNALS & CHANGING THE POSITION OF A MARK**

Shall be in accordance with RRS 27.3, 32, 33. In addition:

When racing is abandoned after boats have commenced racing, a spot light may be switched on from the Bridge to call attention to the race signal for abandonment.

When flag 'AP' is displayed ashore, '1 minute' is replaced with 'not less than 30 minutes' in RRS Race Signals. This changes Race Signal 'AP'.

Where a signal is made indicating postponement, abandonment, or shorten course with a Class Flag, it shall apply only to that class but where the signal is made on its own it shall apply to all classes racing.

Where a signal is made indicating change of position of a mark it shall apply to all classes rounding the mark at which the signal is made.

#### **14. TIME LIMIT**

Unless specified otherwise on the notice board, the time limit for each race shall be 3 hours for all classes. Boats failing to finish within 1 hour, 1.5 hours for **Trailable** Yachts, after the first boat of its class finishes will be scored "did not finish". If a series of short races have been scheduled, both time limits for each race will be shown on the notice board.

For **Trailable** Yacht "shoreline" races the time limit shall be 3.5 hours. Boats failing to finish within 1.5 hours after the first boat finishes will be scored "did not finish".

The PRO may, in consultation with the class sailing committee representative, determine a longer time limit for the Trailer Yacht Fleet, notice of which will be displayed on the course board.

#### **15. NOMINATION / SAFETY FORM**

All competitors shall, within 45 minutes of the finishing time of the last boat of their class, sign off on the Nomination/Safety Form at the Nomination Desk indicating whether they finished (FIN) or did not finish (DNF) the race. If the Nomination Form is not available for whatever reason, they shall notify the PRO or

Bridge-master as soon as practicable. Failure to comply with this instruction may lead to disqualification.

Breaches to this instruction will not be grounds for protest by a boat. This changes RRS 60.1 (a). Penalties for a breach of this instruction may be less than disqualification if the Protest Committee so decides.

## **16. PENALTY SYSTEM**

RRS 44.1 and 44.2 apply. RRS 44.3 is deleted.

## **17. PROTESTS AND REQUESTS FOR REDRESS**

Written protests shall be lodged with the PRO within 1½ hours of the finishing time of the last boat of the class or classes involved in the protest. Protests are normally heard at 7-30 pm on the Tuesday following the date of the protest, unless other arrangements are made by the PRO.

*Protest forms will normally be available at the Nomination/Sign-off Desk.*

## **18. PROTEST MEDIATION**

A mediation hearing may be conducted for protests lodged in accordance with RRS 60.1(a) which allege an infringement of a rule of Part 2. Such hearings will be held subsequent to the protest being lodged and prior to the protest hearing. Mediation shall normally be undertaken on the same day as the race in which the incident which generated the protest.

One representative of each yacht shall attend and no witnesses will be allowed. The mediator shall decide the manner in which the testimony is given.

The Race Committee will appoint the mediator. Should the protest proceed to a protest hearing then the mediator shall not be a member of that protest committee nor be called as a witness at that hearing.

RRS 63.1 is amended. Protests, which are the subject of a mediation hearing, may be withdrawn.

After taking testimony at mediation hearing the mediator shall make one of the following conclusions:

- (a) The protest does not comply with RRS 60 and the protestor may withdraw the protest.
- (b) The matter shall proceed to a protest hearing. This may be because rules other than Part 2 are involved, or because evidence is too complex or divergent to reach a reasonable and timely conclusion, or due to the apparent severity of the alleged infringement, or for any other reason decided by the mediator.
- (c) There was no infringement and the protestor may withdraw the protest.
- (d) There has been an infringement by one or more of the yachts involved, the infringing yacht(s) may accept a penalty equal to 50% of the penalty that would result from a disqualification, and if so accepted, the protestor shall withdraw the protest.

## **19. SAFETY REQUIREMENTS - OFF THE BEACH BOATS**

Off the Beach Boats shall meet the requirements **of *Australian Sailing*** Special Regulations Part 2. In addition, *all crew shall be aware of the location for attaching a towline to the boat.*

### **Amendment to RRS 41 – OUTSIDE HELP**

Race officials and race powerboat crews may retrieve boat crews and return them to their boats for safety reasons.

The sail number of a boat which receives outside help will be notified to the Race Committee with details of the incident and a hearing may be held (if required) to determine any penalty. The penalty for such a breach of Rule 41 shall be at the discretion of the Protest Committee.

## **20. RACING & SAFETY REQUIREMENTS - TRAILER YACHT FLEET**

**Trailable** yachts shall compete in accordance with the Australian Sailing **Trailable** Yacht and Sports Boat Rule and shall meet the safety requirements of Australian Sailing Racing Rules of Sailing Special Regulations Part 1 Event Category 6 for races in Club waters and Category 5 for races away from Club waters where there is limited rescue availability. In addition to these requirements yachts shall carry for each crew member an approved PFD Type 1 personal floatation device. For Category 5 and Category 6 races a working 27 Mhz radio shall be aboard. The Club radio frequency (calling and working) is 27.910 MHz. *For boats also with VHF radios the calling and working channel is number 68.* If a boat in a Trailer Yacht Fleet race capsizes and cannot be righted readily or within a reasonable time, the PRO may abandon or cancel the race, whether or not any yachts have finished.

## **21. RACE NOMINATION FEES**

### **(a) Club members with and without Sailing Rights.**

**If the Bulk fee has been paid for the season then no extra fee is required for Saturday sailing sessions.**

**If the bulk fee has not been paid then the fee per session is; \$15 per senior member, and \$8 per junior member.**

**Club members without sailing rights require approval from the PRO to sail and the fee to sail is;**

**\$15 per senior member, and \$8 per junior member per session.**

**(b) Visitors without AS registration and 'SailPass' holders must apply for Club membership and the fees are;**

**First three sessions – Free**

**Second three sessions; \$15 per Senior, \$5 per Junior per session.**

**To a maximum of 6 sessions per season.**

**(c) Visiting boats/crews and state title contestants with Australian Sailing Registration. The fee per boat including crew for each morning and afternoon session is;**

**Youth and Senior classes \$15 per boat, Optimist and Junior classes \$8 per boat.**

**(d) On Saturdays, B&SYC boats that have paid a club fee will not pay an extra fee for State heat nominations, they will pay a fee on other days.**

## **22. GUIDE TO BEING RESCUED**

Don't delay too long before calling for assistance - it is very hard for the support craft personnel to right a capsized boat if the crew is too exhausted to help.

If you are in the boat raise both hands above your head and lower to sides at about five second intervals OR secure a shirt or rag to a spar and wave from side to side above head.

If the boat is capsized and you are in the water - raise one hand above the head for about three seconds at five second intervals. If it is necessary for a boat be towed ashore, the sails should be lowered quickly. The towline should be passed through a towing ring secured to the stem-head, wound around the mast once or twice & held securely within boat.

It is often better to sail the boat ashore, than to have it towed.

NOTE: Once assistance has been requested or agreed to, the powerboat skipper is in charge of the operation, and may, if he considers it necessary, anchor or abandon a yacht. The primary concern is to protect people; protecting equipment is important but secondary.

***Phrases in bold italics are changes to the previous season's Sailing Instructions***

## DUTY CLASS ROSTERS

Members are rostered to carry out duties at the Club on a boat class basis, i.e. all members of a particular class are rostered on one week, all members of another class the next week, and so on.

Some classes with smaller fleet sizes may be combined.

It is the responsibility of the maintenance officer to allocate and publish duty rosters, and it is the responsibility of class delegates to ensure these duties are carried out.

Duty rosters will be published a month in advance in the club newsletter.

The following duties are always included in the duty roster:

- Assist in the canteen.
- Remove sand from driveways.
- Collect glasses after sailing.
- Empty rubbish bins around Club into wheelie bins and dumpster.
- Run meat raffle after sailing.
- Sausage sizzle after sailing.
- Return taps to racks in cage near ladies' toilets.
- Put hoses and "ears" for outboards in Brett's shed.
- Lock all junior and senior sheds at 5pm.
- Other tasks as assigned by officers

## **SOCIAL CALENDAR - MAJOR SOCIAL EVENTS**

**Season 2022/2023**

### **OCTOBER 2022**

#### **Saturday 8<sup>th</sup> - Opening Day Celebrations**

Official Luncheon 11.30 am, Opening Ceremony 1 pm  
Opening Night festivities 5pm with live music and BBQ.

### **DECEMBER 2022**

**Saturday 3<sup>rd</sup>** - Craig Baker Memorial Regatta 0900hrs

#### **Saturday 17<sup>th</sup> - Junior Christmas Party**

Santa arrives at 11:30hrs followed by BBQ Lunch

#### **Monday 26<sup>th</sup> – Boxing Day Celebrations**

Big Screen TV (Sydney to Hobart & Cricket)  
BBQ options from midday, musician from 3pm

#### **Saturday 31<sup>st</sup> - New Year's Eve Celebrations**

7pm - Band playing upstairs, BYO supper.

### **APRIL 2023**

#### **Saturday 1<sup>st</sup>- Season's End Celebrations**

5pm - Live music & BBQ Hamburgers

### **MAY 2023**

#### **Sat 20<sup>th</sup> - Presentation Night**

From 6pm Meals, 7.45pm Presentations

### **JUNE 2023**

**Saturday 17<sup>th</sup> - Commodore's Ball - 7pm (TBA)**

**Friday 23<sup>rd</sup> – BSYC Annual General Meeting**

## SAILING PROGRAM 2022-2023

**Saturday 10<sup>th</sup> - Monday 12<sup>th</sup>**

Queen's Birthday Long Weekend

Frostbite Regattas Goolwa

**Saturday 17<sup>th</sup> - COMMODORE'S BALL - 7.00 pm (TBA)**

**Friday 23<sup>rd</sup> - ANNUAL GENERAL MEETING - 8.15 pm**

The image is a dark blue rectangular graphic with white and light blue text and icons. At the top center is a circular logo consisting of three concentric circles. Below the logo, the word "commander" is written in a large, white, lowercase sans-serif font. Underneath "commander", the word "ADELAIDE" is written in a smaller, white, uppercase sans-serif font. Below the text, there are four white icons arranged horizontally: a computer monitor, a mobile phone, a laptop, and an electrical plug. Under each icon is a small, white, uppercase label: "INTERNET", "MOBILE", "OFFICE PHONES", and "ELECTRICITY". At the bottom of the graphic, the text "Your Local Business Communications Specialist" is written in a white, sans-serif font. Below that, the text "CALL US TODAY 08 8380 9500" is written in a smaller, white, uppercase sans-serif font. There are some white curved lines on the left side of the graphic.

**Boats listed with a \*\* in front of their number means they are ineligible for scoring, due to being a second boat registered by a skipper in that class or are not intending to be raced.**

## **INTERNATIONAL OPTIMIST CLASS**

## Web Design & PWA Development

At JABA, we live and breathe web design and web development. Our team is dedicated to providing amazing web design in Adelaide and Australia in addition to digital marketing, web app development, SEO, SEM, copywriting, photography, drone shoots, content creation, graphic design, website hosting, SSL Certificates and more. We promise excellence, originality and responsiveness in design.

### **And now, welcome to the future — Progressive Web Apps (PWA's)**

A Progressive Web App, or PWA, is a website and an app in one. It's a new technology created by Google and supported by Microsoft and Apple. Some of the world's biggest websites including Twitter, Uber, Pinterest and Starbucks have already re-developed as a PWA. A single PWA works brilliantly on your desktop, laptop, tablet and it works on IOS and Android devices and can be downloaded and installed as an app without going to an app store.
